says that he thinks a law will be passed increasing the postage limit to o'ae ounce, instead of a half ounce. So far, as weight is concerned this will place as on a par Large Number of Important Bills Introwith the English system, their penny

ing civil rights law as unconstitutional so far as it affects the people of the several between the people of the several weeks from the appointment of the Com-

the first proceeding of the continued of plain answer that it is to give place to one that will distribute the burdens of ling-boards entered was the case of Platt was Defeated for Clerk of the House of Persons or property upon the grounds of persons or persons or property upon the grounds of persons or persons or persons or exation more equitably and assure the against Goode, when Platt was elected,

statesman who, in all that he has ever effected of legislation, has given proof of his determination for the greatest good of the greatest number, and he is wise and prudent enough to seek these results not by ultra or radical measures, but by steady approaches on abuses of power, so that the economies of the country shall not be disturbed. Just now he is, as all true Democrats are, for tariff reform. That does not mean the instantaneous abolishment of the tariff law, but only its readjustment so as to lighten the burdens of the pension law by removing certain limitations of that act.

By Senator Ingalls: To amend the arresponding the following amendment to lighten the burdens of the pension law by removing certain limitations of that act.

By Senator Bland, of Missouri, does not mean the look of silver Dollar. Bland, of Missouri, does not lighten the burdens of the pension law by removing certain limitations of that act.

By Senator Bland, of Missouri, does not believe this Congress shall have power, by appropriate legislation, to prove, by appropriate legislation, to prove, by appropriate legislations of the United States in the expension law by removing certain limitations of that act.

By Senator Bland, of Missouri, does not be pension law by removing certain limitations of that act.

By Senator Bland, of Missouri, does not be pension law by removing certain limitations of the Congress shall have provent to the constitution: "Congress shall have provent to the constitution: "Congress shall have provent to the constitution: "Congress shall have provent to the constitution: "Silver-Bollar" Bland, of Missouri, does not believe this Congress of the United States in the expension law by removing certain limitations of that act.

By Senator Bland, of Missouri, does not be provent to the Congress shall have provent to the constitution: "Congress shall have provent to the Congress shall have provent to the Congress shall have provent to the constitution: "Silver-Bollar" Bland, of Missouri, does not believe this Congress in Toquia, has ordered an attack as the Admiral Courbet, commander of the french force in Toquia, has ordered an attack as the London of the Congress shall have provent to the constitution: "Congress shall have provent to the constitution: "Congress shall have provent to the Congress of the United States for the Congress of the United State payment of the interest on the national debt, the maintenance of the government, costly and much-needed public works, and the gradual liquidation of the public works, and the gradual liquidation of the public shebt call for large sums of money, larger sums than can be raised even by the existing tariff so that a continuance of the most trampant free-trader can expect from most rampant free-trader can expect from the first tended and has, and compelled to leave, and most rampant free-trader can expect from the first tender of the issue and circulation of national banks, and compelled to leave, and was classed by the fox-field and the present House, is a moval of all disabilities imposed by the fox-footness. He was asked:

"What is the good in continuing the coinstinuance of the government, to start the world."

What is the good in continuing the coinstinuance of the assure them equal assure them equal asyer in the world."

Sold by Robinson, apoleses, I Loxos, December 4.—The financial article of the Builty Asses says it is understood that a shansphal firm, holding silk to the vaults of the Treasury?" and replaced that the furnish shaps and engage of silver dollars merely to store it away in the walls of the Treasury?" and the gradual liquidation of the public as the foreign carrying trade.

Sold by Robinson, apoleses, I Loxos, December 4.—The financial article of the Builty Asses says it is understood that a shansphal firm, holding silk to the vaults of the Treasury?" and replaced that the furnish shaps as a restrict of support an issue of silver dollars merely to store it as a restrict of the market of support an issue of silver dollars. MEMPHIS, TENN., WEDNESDAY, DECEMBER 5, 1883.

By Senator Logan: To provide for the pensioning of prisoners of war confined in Confederate prisons during the late war.
By Senator Brown: To extend the time shall be construed to prohibit individuals

Special to the Cincinnati Connercial Ga- tude, shall be deemed valid. sights of the people as against the monopolists, in whose aid the present tariff bill was passed. There are other points in this message 'corthy of notice, but they will be taken up and treated of from time to time as opportunity shall offer.

The election of Mr. Carlisle to the Speakership of the House has called out as many varieties of opinion as there are wiews on the tariff question. The messagily and absurd of all these is that it will affect the business interests of the country detrimentally, and will pave the way for the defeat of the Democratic party in 1824. Mr. Carlisle is a conservative statesman who, in all that he has ever effected of legislation, has given

but Goode was given the seat by a Democratic House. It came with bad grace from the other side to make the statement that frauds by returning-beards were becoming too common in Virginia.

Special to the Cincinnati Cosmercial Gazelle: It seems that there were not two ballots for cierk, but than when the roll-call was finished, and the tally stood Clark 92, Atkins 91, Martin 6, friends of Atkins, headed by no less a person than adall himself, who left his seat for the purpose, obtained the change of three Martin votes to him, leaving the tally at Atkins 94, Clark 92, Martin 3. Immediately, Hallong the purpose, obtained the change of two Atkins men to Clark, making it Clark 94, Atkins 99, Clark 92, Martin 3. Immediately and absurd of all these is that it will affect the business interests of the country detrimentally, and will pave the way for the defeat of the Democratic party in 1824. Mr. Carlisle is a conservative statesman who, in all that he has ever effected of legislation, has given

READY FOR WORK.

The Republican enrollment in New York city is regarded as a splendid success, aggregating, as it does, a total or 23,641 voters, being about five times as many as took an active part in the old associations.

The Organization of the House Completed by the Election of Minor Officers.

The Grand jury of the Hustings Court of Pittsylvania county, Va., who had under consideration the origin and results of the Danville riots, over which Senator Mahone wept crocodile tears and had several fits, reports that they have no presentments to make. Neither side to the difficulty had any complaints to makes.

The Postmaster-General says the two cent postage does not pay, but he is sanguing that it will ultimately. He also any that he thinks a law will be passed for providing and regulated.

The Senator Logarity of the Elections, when appointed A Bay of Activity in the Senate.

in which action can be brought in the or corporations carrying on the business Court of Claims under the provisions of of operating telegraph lines.

Internation of a land course, for its art anticles of the formation of the second properties of the second

complish that purpose, and that will do it. As to the tariff bill of the 3d of March last, which Arthur does not wish to see repealed or amended, Mr. Carlisle's election to the Speakership of the House is a law a returning-board to usurp the authority of the House and distranchise whole committees in granting prima facise contracted in the service during the late civil war, the person on whose activities the public laterest or safety requires it. No law, usage or custom, and no practice, arbitrary exercise of quasi judicial power by a returning-board it was in this case.

Mr. I. S. Wise soid the opinion that the public laterest or safety requires it. No law, usage or custom, and no practice, in said court itself, be of the opinion that the public laterest or safety requires it. No law, usage or custom, and no practice, in the civil war, the person on whose activities and court itself, be of the opinion that the public laterest or safety requires it. No law, usage or custom, and no practice, in the civil war, the person on whose activities and court itself, be of the opinion that the public laterest or safety requires it. No law, usage or custom, and no practice, in the civil war, the person on whose activities and court itself, be of the opinion that the public laterest or safety requires it. No law, usage or custom, and no practice, and court itself, be of the opinion that the public laterest or safety requires it.
